Our comfort beds at the “imm cologne”

27. October 2017 // **Trade Fairs & Events**

The international furnishing trade fair imm cologne will once again be the ideal stage to showcase the beds in our "Living" line in January 2018. The suite eMotion and the high-quality Lindeo bed insert are designed for private customers who are looking for the highest comfort, elegance and support they can find in adjustable beds which they can feel comfortable in at any age.

The international furnishing trade fair imm cologne will once again be the ideal stage to showcase the beds in our "Living" line in January 2018. The suite eMotion and the high-quality Lindeo bed insert are designed for private customers who are looking for the highest comfort, elegance and support they can find in adjustable beds which they can feel comfortable in at any age. The suite eMotion is available as a single or double bed in 3 enchanting design lines. The Lindeo can be placed in an existing bed frame and offers great flexibility with its lift function and the 4-section mattress base.

Since its establishment in 1949, the Cologne fair “imm cologne” has developed into one of the most important furniture fairs in the world and, last time, attracted 146,000 visitors. In 2018 it will take place from 15 to 21 January. Stieglmeyer welcomes all visitors warmly to visit them in **Hall 9.1 at Stand C 032**.
