## Libra - Feeling good in every phase of life

08. January 2020 // **Products & Services**

Our new comfort bed accompanies people through the years. Many people dream of a bed that supports them in all phases of life. Our new comfort bed Libra fulfils this wish. With its Vario Safe system, the Libra adapts to many requirements and develops with its users. With this bed you can enjoy restful sleep, pleasant leisure time and start the day comfortably and independently.
