The Stieglmeyer-Group's company magazine

A "Start-up" with great success and great persistence

21. January 2020 // **Inside**

The Stieglmeyer-Group will be 120 years old in 2020. At the beginning of our history there was a "start-up", which in its momentum and modernity would have fitted very well into the present day. This innovative spirit still inspires the company today.
